

# WOMEN IN DATA SCIENCE

Are you currently pursuing your PhD or master's degree and are passionate about advanced analytics? Then participate in our Women@GAMMA Recruiting Event to get a true feel of what it is like to work at BCG GAMMA.

Join us for an evening with inspiring insights and use your analytical creativity to tackle a problem we all face in everyday life. Together, we deep-dive into this task from both a data scientist's and a consultant's perspective!

**Please apply with your CV
